iQ Workspace Modern Slavery Policy

iQ Workspace Ltd fully embraces the aims and ideals of the Modern Slavery Act 2015 and looks to implement its requirements throughout our organisation and supply chain. We remain fully committed to ensuring that there is no slavery or human trafficking in any part of our business and will continue to fight against Modern Day Slavery throughout the UK.

We have undertaken a review of our Modern-Day Slavery Policy and are satisfied that it meets our requirements, and that no amendments are necessary at this time.
